

Holy Spirit
EPISCOPAL CHURCH

**Stepping
Forward
Together**

Dear Fellow Holy Spirit members,

As your Senior Warden, let me first express my gratitude and appreciation for how our parish has handled the unexpected transition we found ourselves in earlier this year. We are a flourishing church community undoubtedly because of the commitment of time and financial resources by our parish members, lay leadership, and staff.

As I reflect on the past few months in our parish life, I recall my feelings of unease when I considered how we would function as a church without full-time clergy. What I did not appreciate at the time was that so much of our parish life is driven by people in our church who make important ministries function and fellowship take place. So many have stepped up in such complete support of our community. Our church life is carried on the shoulders of parish members who pledge the money and time required to sustain and grow our spiritual life and ministries that serve each other and our west Houston community.

We have already taken positive steps forward in our transition with the hiring of an interim rector, the selection of our rector search committee, and the launching of our Parish Profile. Our path forward includes the critical steps of selecting our new rector and integrating this leader into our church and school community. We have a wonderful foundation today and bright prospects for the future!

I ask that each of you prayerfully consider your support of Holy Spirit Episcopal Church in the form of time and treasure to ensure that we can continue our ministries and sustain our facilities and staff. We are a self-supporting community that requires generous contributions from all members to make our church a positive and welcoming place to worship, build relationships, support families, and serve God and his creation.

Thank you all for your love and support of Holy Spirit Episcopal Church!

A handwritten signature in black ink that reads "John Del Mixon".

Senior Warden

Stewardship 2024

Mission Statement

Holy Spirit Episcopal Church is a welcoming and affirming congregation of theologically diverse people who come together to worship God and serve God's people. We joyfully bring Christ's love to the world around us and nurture each other in our Christian walk.

Defining our Community

We are a multi-generational community made up of people who experience and share the love of Christ through communion with and service to others. Our community is one full of support, acceptance, and love. Our ministries and fellowship groups reflect our varied interests and passions. The baptismal font is the center and heart of our congregation; welcoming new saints is always a moving and special moment.

Stewardship Request

Reflect on your connection to this church and the people here. Prayerfully consider how you can support Holy Spirit financially and how you can engage in the life of this parish. Your financial support ensures that we continue to come together in worship, outreach, and formation. Your engagement blesses all members of this community and amplifies our spirituality, pastoral support, and fellowship.

Make a pledge commitment by completing the attached card and step forward together into a shared and miraculous 2024.
